Notes

1 See School, p. 85, for long-tail cast-on. 2 Use long-tail cast-on throughout. 3 Yarn is a medium weight ribbon knit in a very tight gauge.

A little knitting goes a long way when you embellish it and then use it as an accessory. Who would have thought that a few stitches could capture so much beauty?

Plain Wrapped Ball Bead

Cast on 6 sts, leaving an 8" tail. Beg with a WS row, work in St st for 19 rows. Do not bind off. Cut yarn, leaving a 12" tail. Wrap piece around wooden ball bead. Graft open sts to cast-on edge. Pass tail through bead hole so there is a tail end at each side of bead. Run each tail in and out of edge sts and pull tightly to gather sts around bead hole. Thread bind-off tail back through hole of bead and tie in a knot with cast-on tail, leaving both tails at one end of bead.

BRACELET

Work 4 Beaded Wrapped Ball Beads (using one color of seed bead for each) and 4 Plain Wrapped Ball Beads. Cut an 18" length of elastic cord. String seed beads and wrapped ball beads foll diagram for placement. Tie 2 ends of elastic cord in a double knot next to one of the beaded wrapped ball beads. If necessary, adjust the number of seed beads between each ball bead to adjust sizing. Thread rem cast-on and bind-off ends of yarn back through their respective wrapped ball beads and snip off any visible ends of yarn. Slide double knot in elastic cord inside nearest wrapped ball bead and cut off rem visible ends.

NECKLACE

Materials: 5 Beaded Wrapped Ball Beads (using one color of seed bead for each) and 4 Plain Wrapped Ball Beads. Cut a 36" length of yarn. String seed beads and wrapped ball beads following diagram for placement. Center all beads and tie a knot in yarn as close to each end of seed beads as possible. Thread rem. cast-on and bind-off ends of yarn back through their respective wrapped ball beads and snip off any visible ends of yarn. String seed beads at each end of yarn, create a circle of beads and tie a knot to finish off each end of necklace. ◻

My only warning! Beaded knitting is addictive and I never more so than when you get the hang of creating these great little bead-knitted balls. Bet you can't knit without one!

Filet Knitting

Knit lace patterns are certainly as intricate as any in crochet, but I haven't found anything that resembles my favorite—filet crochet. Filet crochet is a square mesh—made with alternate double crochet and chain stitches throughout a series of rows (see below). It is a great stitch base for many

My first attempts at duplicating filet crochet consisted of mixing yarn overs with decrease stitches. Although I accomplished a mesh, the stitches had a diagonal orientation rather than forming upright blocks. Many efforts at combining and alternating types of decreases within a row or between rows didn't achieve the desired result. Staggering or aligning them still resulted in the diagonal look.

There had to be a way to create a knit filet.

The stitches need to be upright rather than lie on the diagonal, and the mesh should be crisp. Maybe making decreases across one row, then following it with knit one, yarn over repeats across the next row would do the job. The premise worked—the resulting stitches were upright and spaced a stitch apart—but if I began with an even number of stitches, a stitch was lost in the process; if I used an odd number of stitches, one stitch stood alone

rather than being part of a decrease. It was easier to set down the rule of an odd number of stitches with decreases worked over all stitches except the first or last stitch. On the return row, the pattern would be: *knit 1, yarn over repeat from * across, ending knit 1. The upright stitch was discovered!

But a two-row repeat didn't work; the pattern needed a horizontal as strong as the vertical stitches. So I added a couple of knit rows.

The four-row pattern did resemble filet crochet, although the upright stitches needed to be taller—closer to the height of double crochet—so that each cell would be approximately as high as it was wide. Then almost any pattern rendered on graph paper could be translated into the filet mesh.

How could I lengthen the stitches in the decrease row? Sure, I could change to larger needles, but using a larger needle for one out of every four rows would be a hassle that no knitter would enjoy. A stitch alone

These designs that look somewhat like steroids, you might have seen some of the floral designs on antique dresser scarves or crochet scarves. It also makes an easy mesh to weave alternate yarns in.

With a double wrap around the needle would work, but on the return row it would be necessary to drop the yarn on each of the yarn over, knit stitches—another tedious solution, not perfect.

Then I remembered the elongated twist stitch we worked into a scarf in *Scarf: A Knitter's Dozen*. When

the right needle was inserted into the working stitch, a double wrap—first around both needle points, then around the right needle only—was made, then the second wrap was pulled through the stitch and the first wrap, resulting in an elongated and twisted stitch.

It wasn't hard to do. If on the return row each stitch was worked through

the back loop, the twist remained tight and neat.

Mission accomplished—almost. The final trick was to do the twisted elongated stitch and the decrease in the same row. And it works!

Here we keep it simple with a mesh camisole, but in upcoming issues we will try other fun uses for this technique. ☐

K2TOG ELONGATED TWIST ST (EK2TOG)

1 Insert right needle into first 2 stitches on left needle, as if to knit them together.

2 Wrap yarn around both needle tips.

3 Then wrap yarn around right needle and draw yarn through the wrap and both stitches.

4 Drop wrap and stitches from left needle.

ELONGATED TWIST ST (EK)

1 Insert right needle into a single stitch on left needle. Then proceed with Steps 2–4 of EK2tog (working from 1 stitch rather than 2).

On row 2 of pattern knit through the back loop, yo, across.

Notes

1 See *School*, p. 85, for SSK, I-cord and loop cast-on. 2 K2tog's of chart pats must be paired with a yo in order for st counts to rem consistent. When working shaping, if a dec cannot be worked, omit the yo.

Make a simple cardigan special with I-cord trims. The belt vines through eyelets, and the cuffs end in sleek I-cord knots.

1 See *School*, p. 85, for SSK, SK2P, Make 1 (M1), and 3-needle bind-off. See p. 95 for wrapping sts on short rows. 2 Vest is begun in 2 pieces which are joined at waist shaping. Vest is then worked in one piece from underarm where it is divided and fronts and back are worked separately.

A long vest is perfect for dressing up your favorite chemise or slacks and a top. We incorporate lace and cables for a stylish silhouette, and add the back vent for ease in wearing.

Tie-dyed Boxes

If you like working puzzles, this organically shaped duo is for you. The modules in the T-shirt and tank use double decreases and increases.

The shaping is easy. A pair of double decreases worked every right-side row form rectangles, while four double decreases worked half as often—every fourth row—create a half-octagon. The additional width and length are worked with double increases worked at the same rates to shape the hems.

1

Make a mitered rectangle or half-octagon.

2

Build a second.

3

then a third.

4

Work a fourth for a few rows then bind off for neck.

5

Pick up along outer edge and work increasing at corners.

6

Shape armholes and work to desired width for a squared or

shirt-tail hem.

Voriated yarn is the perfect answer to simple and colorful knits. Work mitered rectangles together then frame them for a pair of great tops. A clever option is to change the first rectangle to a half octagon and get a shirt-tail finish.

Cont working chart pat over sts on 2nd dpn, and 19 sts each side in garter st, through chart row 6—57 sts (19/19/19).

(Note If center sts don't fit easily on one needle, split section onto 2 needles.)

Section 3 With A, work pat as established through chart row 12—69 sts (19/31/19).

Section 4 With circular needle and B, work as foll: **Next row (RS)** K19, place marker (pm), work chart row 13, pm, k19—74 sts (19/36/19). **Next row (WS)** K19, sl marker (sm), work chart row 14, sm, k19, cast on 212 sts (for strap). **Next row** K to marker, work chart row 15 between markers, k to end. **Next row** Work to strap sts, p to end of strap. **Next row** K to marker, work chart row 17 between markers, k to end. **Next row** Work to strap sts, removing markers, loosely bind off strap sts purlwise. Cut yarn, leaving a 15" tail. With RS facing,

attach A to rem 82 sts and k 1 row. Cut yarn. Place sts on spare circular needle.

Side 2

Work as for Side 1, reversing colors. After strap sts have been bound off, attach A to rem 82 sts and k 1 row. Leave sts on circular needle.

Finishing

Join Sides 1 and 2 as foll: Hold sides with WS tog. With RS facing, dpn and A, join sts using 3-needle bind-off (ridge effect). Attach one loose end of strap to same side of bag. Twist 2nd strap around first and attach to other side of bag.

Top front edging

With RS of Side 2 facing and A, pick up and k3 sts along strap, ending where it meets bag, 1 st in corner, 17 sts along top of bag, 1 st in corner, and 3 sts along 2nd strap—25 sts. **Row 1 (WS)** K2, SK2P, k15, SK2P, k2. **Row 2** K1, SK2P, k13, SK2P, k1. **Row 3** Knit. **Row 4** SK2P, k11, SK2P. Bind off loosely knitwise.

Top back edging

With B, work as for front edging, except bind off as foll: Bind off 6 sts, sl st on RH needle back to LH needle, cast on 15 sts (for button loop) onto LH needle, then bind off all sts to end. Sew free end of button loop behind attached end.

Felting

See page 81. Rearrange twists on strap, if necessary, during felting process. Hang bag by strap to dry. Tie an overhand knot in strap to make strap desired length. Attach button on Side 2 to correspond to button loop.

Carol was inspired by Lily Chin's article in Knitter's issue 41 on knitting ovals—here two half-ovals are joined to make a purse. Reversing the color sequence for the second side led to a bi-color strap.

Notes

1 See School, p. 85, for knit cast-on, SK2P and 3-needle bind-off (ridge effect). 2 Use knit cast-on throughout. For ease of working, mark RS of work.

Work edging

*With RS facing, one dpn and B, pick up and k16 sts along one edge of pentagon; rep from * 4 times more. P 1 rnd. Place sts on hold, placing a marker after every 16 sts.

Join pentagons

(Foll Joining Diagram for placement of pentagons.) Place 32 sts from left side of center pentagon onto 2 needles, then place 32 sts from right side of left pentagon onto another 2 needles. Holding pentagons with WS tog, join the 2 pentagons, using B and 3-needle bind-off (ridge effect) (step 1). In same way, join 32 sts from right side of center pentagon and 32 sts from left side of right pentagon (step 2). Join 32 sts of right and left pentagons (step 3). Break yarn, leaving a long tail. Use tail to sew bottom closed.

k12, then pick up and k3 sts along join edge, sl last st picked up onto a new needle, and with this same needle, k13 from next needle; with a free needle, k3, then pick up and k3 sts along join, k next 8 sts; with a free needle, k8, then pick up and k2 sts along join, and k first 4 sts of next needle—56 sts (14 sts on each needle). K 6 rnds. **Next rnd** K8, bind off 12 sts loosely, k16 (including st rem on RH needle after bind-off), bind off 12 sts loosely, k to end. **Next rnd** Knit, casting on 12 sts over each set of bound-off sts. K 7 rnds. Bind off loosely.

Felting

Fill washing machine with hot water on low level setting. If desired add a small amount of wool wash that doesn't need to be rinsed. Put knitting in mesh bag and felt bag for 10 minutes. Check size. Continue felting in 5 minute intervals until bag is desired size and individual sts can't be distinguished. Squeeze out excess water. Loosely stuff bag with washcloths or small towels to hold shape and pinch edges of top tog so that handles are centered. r

Carol was fascinated by the designs in Norah Gaughan's Knitting Nature, especially the pentagon shape. Using three pentagons creates an asymmetrical shape and when felted, the points bend under to form the bottom of the bag.

Notes

beginner basics

• KNIT CAST-ON • KNIT

KNIT CAST-ON

1 Start with a slipknot on left needle (first cast-on stitch). Insert right needle into slipknot from front. Wrap yarn over right needle as if to knit.

2 Bring yarn through slipknot, forming a loop on right needle.

3 Insert left needle under loop and slip loop off right needle. One additional stitch cast on.

4 Insert right needle into the last stitch on left needle as if to knit. Knit a stitch and transfer it to the left needle as in Step 3. Repeat Step 4 for each additional stitch.

KNIT

1 With yarn in back of work, insert right needle into stitch on left needle from front to back.

2 Bring yarn between needles and over right needle.

3 Bring yarn through stitch with right needle. Pull stitch off left needle.

4 Knit stitch completed.

PURL

• PURL • BIND OFF • FASTEN OFF

1 With yarn in front of work, insert right needle into stitch from back to front.

2 Bring yarn over right needle from front to back.

3 Bring yarn through stitch with right needle. Pull stitch off left needle. Repeat Steps 1-3.

BIND OFF KNITWISE

1 Knit 2 stitches as usual.
2 With left needle, pass first stitch on right needle over second stitch (above) and off needle: 1 stitch bound off (next drawing).

3 Knit 1 more stitch.
4 Pass first stitch over second. Repeat Steps 3-4. When last loop is on right needle, break yarn and pull tail of yarn through loop to fasten (see Fasten off).

BIND OFF PURLWISE

Work Steps 1-4 of Bind-off Knitwise except, purl the stitches instead of knitting them.

FASTEN OFF

Work bind-off until only 1 stitch remains on right needle. If this is the last stitch of a row, cut yarn and fasten off stitch as shown above. Otherwise, this is the first stitch of the next section of knitting.

working from charts

Charts are graphs or grids of squares that represent the right side of knitted fabric. They illustrate every stitch and the relationship between the rows of stitches.

Squares contain knitting symbols.

The key defines each symbol as an operation to make a stitch or stitches.

The pattern provides any special instructions for using the chart(s) or the key.

The numbers along the sides of charts indicate the rows. A number on the right side marks a right-side row that is worked leftward from the number. A number on the left marks a wrong-side row that is worked rightward. Since many stitches

are worked differently on wrong-side rows, the key will indicate that. If the pattern is worked circularly, all rows are right-side rows and worked from right to left.

Bold lines within the graph represent repeats. These set off a group of stitches that are repeated across a row. You begin at the edge of a row or where the pattern

indicates for the required size, work across to the second line, then repeat the stitches between the repeat lines as many times as directed, and finish the row.

The sizes of a garment are often labeled with beginning and ending marks on the chart. This avoids having to chart each size separately.

With yarn in front of needle, bring it over the needle to the back and to the front again, purl the next stitch.

I-CORD

I-cord is a tiny tube of stockinette stitch, made with 2 double-pointed needles.

- 1 Cast on 3 or 4 sts.
- 2 Knit. Do not turn work. Slide stitches to opposite end of needle. Repeat Step 2 until cord is the desired length.

3-NEEDLE BIND-OFF

Instead of binding off shoulder stitches and sewing them together.

Bind-off ridge on wrong side

1 With stitches on 2 needles, place right sides together. * Knit 2 stitches together (1 from front needle and 1 from back needle, as shown); repeat from * once more.
2 With left needle, pass first stitch on right needle over second stitch and off right needle.

3 Knit next 2 stitches together.

4 Repeat Steps 2 and 3, end by drawing yarn through last stitch.

Bind-off ridge on right side

Work as for ridge on wrong side, EXCEPT with wrong sides together.

CROCHET CAST-ON

1 Leaving a short tail, make a slipknot on crochet hook. Hold hook in right hand, in left hand, hold knitting needle on top of yarn and behind hook. With hook to left of yarn, bring yarn through loop on hook; yarn goes over top of needle, forming a stitch.

2 Bring yarn under point of needle and hook yarn through loop forming next stitch. Repeat Step 2 until 1 stitch remains to cast on. Slip loop from hook to needle for last stitch.

LOOP CAST-ON

Often used to cast on a few stitches for a buttonhole. Loops can be formed over the index finger or thumb and can slant to the left or to the right. On the next row, work through back loop of right-slanting loops.

Left-slanting

Right-slanting

CABLE CAST-ON

A cast-on that is useful when adding stitches within the work.

1-2 Work as for Steps 1 and 2 of Knit Cast On in Beginner Basics.

3 Insert left needle in loop and slip loop off right needle. One additional stitch cast on.

4 Insert right needle between the last 2 stitches. From this position, knit a stitch and slip it to the left needle as in Step 3. Repeat Step 4 for each additional stitch.

GRAFTING

Garter-st graft:

1 Arrange stitches on 2 needles so stitches on lower, or front, needle come out of purl bumps and stitches on the upper, or back, needle come out of smooth knits.

An invisible method of joining knitting horizontally, row to row. Useful at shoulders, underarms, and tips of mittens, socks, and hosiery.

- 2 Thread a blunt needle with matching yarn (approximately 1" per stitch).
- 3 Working from right to left, begin with Steps 3a and 3b:
- 3a Front needle: bring yarn through first stitch as if to purl, leave stitch on needle.
- 3b Back needle: repeat Step 3a.
- 4 Work 4a and 4b across:

- 4a Front needle: bring yarn through first stitch as if to knit, slip off needle; through next st as if to purl, leave on needle.
- 4b Repeat Step 4a. Repeat Steps 4a and 4b until 1 stitch remains on each needle.
- 5a Front needle: bring yarn through stitch as if to knit, slip off needle.
- 5b Back needle: repeat Step 5a.
- 6 Adjust tension to match rest of knitting.

MATTRESS STITCH

Mattress stitch seams are good all-purpose seams. They require edge stitches (which are taken into the seam allowance).

- 1 Place pieces side by side, with right sides facing you.
- 2 Thread blunt needle with matching yarn.
- 3 Working between edge stitch and next stitch, pick up 2 bars.
- 4 Cross to opposite piece, and pick up 2 bars.
- 5 Return to first piece, work into the hole you came out of, and pick up 2 bars.
- 6 Return to opposite piece, go into the hole you came out of, and pick up 2 bars.
- 7 Repeat Steps 4 and 5 across, pulling thread taut as you go.

SSK

A left-slanting single decrease.

1 Slip 2 stitches separately to right needle as if to knit.

2 Slip left needle into these 2 stitches from left to right and knit them together: 2 stitches become 1.

The result is a left-slanting decrease.

SSP

A left-slanting single decrease.

1 Slip 2 stitches separately to right needle as if to knit.

2 Slip these 2 stitches back onto left needle. Insert right needle through their 'back loops,' into the second stitch and then the first.

3 Purl them together. 2 stitches become 1.

The result is a left-slanting decrease.

Buslik

SK2P2, SL2-K1-P2SSO

A centered double decrease.

1 Slip 2 stitches together to right needle as if to knit.

2 Knit next stitch.

3 Pass 2 slipped stitches over knit stitch and off right needle: 3 stitches become 1, the center stitch is on top.

The result is a centered double decrease.

HALF DOUBLE CROCHET

1 Insert hook into a stitch, catch yarn, and pull up a loop. Chain 2 (counts as first half double crochet).

2 Yarn over, insert hook into next stitch to the left (as shown). Catch yarn and pull through stitch only; 3 loops on hook.

3 Catch yarn and pull through all 3 loops on hook: 1 half double crochet complete. Repeat Steps 2-3.

INTARSIA

Color worked in areas of stockinette fabric; each area is made with its own length of yarn. Twists made at each color change connect these areas.

Making a twist: Work across row to color change, pick up new color from under the old and work across to next color change.

MAKE 1 (M1) KNIT

A single increase. (If instructions don't specify, use M1 knit, either left- or right-slanting.)

For a left-slanting increase (M1L), insert left needle from front to back under strand between last stitch knitted and first stitch on left needle. Knit, twisting strand by working into loop at back of needle.

Or, for a right-slanting increase (M1R), insert left needle from back to front under strand between last stitch knitted and first stitch on left needle. Knit, twisting strand by working into loop at front of needle.

The result is a left-slanting increase.

The result is a right-slanting increase.

MAKE 1 (M1) PURL

For a left-slanting increase (M1L), insert left needle from front to back under strand between last stitch purl and first stitch on left needle. Purl, twisting strand by working into loop at back of needle from left to right.

For a right-slanting increase (M1R), work as for Make 1 Right, Knit, except purl.

SK2P, SL 1-K2TOG-PSSO

A left-slanting double decrease.

1 Slip 1 stitch knitwise.
2 Knit next 2 stitches together.
3 Pass the slipped stitch over the k2tog: 3 stitches become 1, the right stitch is on top.

SLIP STITCH CROCHET

1 Insert the hook into a stitch, catch yarn, and pull up a loop.

2 Insert hook into the next stitch to the left, catch yarn and pull through both the stitch and the loop on the hook. 1 loop on the hook. Repeat Step 2.

DOUBLE CROCHET (DC)

1 Insert hook into a stitch, catch yarn, and pull up a loop. Chain 3 (counts as first double crochet).

2 Yarn over, insert hook into next stitch to the left (as shown). Catch yarn and pull through stitch only: 3 loops on hook.

3 Catch yarn and pull through 2 loops on hook.

4 Catch yarn and pull through remaining 2 loops on hook. Repeat Steps 2-4.

SINGLE CROCHET (SC)

1 Insert hook into a stitch, catch yarn and pull up a loop. Catch yarn and pull through the loop on the hook.

2 Insert hook into next stitch to the left.

3 Catch yarn and pull through the stitch; 2 loops on hook.

4 Catch yarn and pull through both loops on hook; 1 single crochet completed. Repeat Steps 2-4.

LONG-TAIL CAST-ON

Make a slipknot for the initial stitch, at a distance from the end of the yarn, allowing about 1½" for each stitch to be cast on.
1 Bring yarn between fingers of left hand and wrap around little finger as shown.

2 Bring left thumb and index finger between strands, arranging so tail is on thumb side, ball strand on finger side. Open thumb and finger so strands form a diamond.

3 Bring needle down, forming a loop around thumb.

4 Bring needle under front strand of thumb loop...

5 ...up over index finger yarn, catching it.

6 ...and bringing it under the front of thumb loop

7 Slip thumb out of its loop, and use thumb to adjust tension on the new stitch. One stitch cast on.

TWISTED CORD

1 Cut strands 6 times the length of cord needed. Fold in half and knot cut ends together.

2 Place knotted end over a door knob or hook and right index finger in folded end, then twist cord tightly.

3 Fold cord in half, smoothing as it twists on itself. Pull knot through original fold to secure.

Buslik

CHAIN STITCH

1 Make a slipknot to begin. 2 Catch yarn and draw through loop on hook (left). First chain made (right). Repeat Step 2.

Michelle favors stitch patterns that you can read in your knitting as you work. Both patterns used in this design are simple on their own and once the panels are established, it is very readable.

SHORT ROWS

Each short row adds two rows of knitting across a section of the work. Since the work is turned before completing a row, stitches must be wrapped at the turn to prevent holes. On stockinette stitch, work a wrap as follows:

Knit side

1 With yarn in back, slip next stitch as if to purl. Bring yarn to front of work and slip stitch back to left needle (as shown). Turn work.

2 With yarn in front, slip next stitch as if to purl. Work to end.

Purl side

1 With yarn in front, slip next stitch as if to purl. Bring yarn to back of work and slip stitch back to left needle (as shown). Turn work.

2 With yarn in back, slip next stitch as if to purl. Work to end.

3 When you come to the wrap on a following knit row, hide the wrap by knitting it together with the stitch it wraps.

Buslik

3 When you come to the wrap on a following purl row, hide the wrap by purling it together with the stitch it wraps.
